

# CERTIFICATE OF FULL STACK DEVELOPER COMPLETION

INTERNSHIP DURATION FROM 01/06/2024 TO 31/11/2024

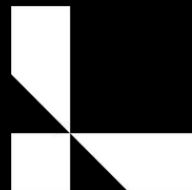

This certificate is awarded to :

# Yahya BENLAFKIH

During this program as a Full-Stack Developer, valuable skills were gained in frontend development with React, backend development with Node.js and Python, and building Chrome extensions. Hands-on experience with microservices architecture, authentication flows, and API integrations enhanced technical expertise. Additionally, proficiency in GitHub Actions, Agile methodologies, and Jira contributed to effective problem-solving and project success.
